

# North Island Community CONNECTIONS

2016 EDITION

A directory of  
North Island  
community groups  
and services

## North Island Community CONNECTIONS

I'm pleased to share with you the fourth edition of North Island Community Connections. This directory of constituency services continues to be very well received, and thanks to your feedback we've been able

to update and expand it.

People across the riding have let us know they find the information in this booklet useful. It does reflect the most frequently

requested information in my community offices. We've also heard that, for many, the directory provides a way for people in different communities to connect with others around the North Island.

As always we try our best to be current, and invite you to contact our community offices if you find that some information has changed.

The North Island is a wonderful place to live. I'm honoured to serve you as MLA, and I hope that this updated fourth edition of North Island Community Connections continues to be of use to you.

Best regards,

A handwritten signature in black ink, appearing to read 'Claire Trevena'.

Claire Trevena,
